ACUC Reciprocity Program

Going on vacation this summer? Check out The ACUC Reciprocity Program to see if there is a university club near you!

The Association of College and University Clubs is a network of campus-based university clubs located throughout North America, Europe, Asia and Australia. As hospitality providers, university clubs promote collegiality, social interaction and enhanced communication among members or academic and professional communities. Nearly 90 clubs participate in the association's reciprocity program, facilitating academic interaction by opening their doors to club members visiting from other campuses. You will be pleased to know that many of these clubs also offer overnight lodging in some of the most charming, elegant, and historic facilities.

When planning a visit to another club, please contact Alicia Bogart, Director at campusclub@austin.utexas.edu to obtain an ACUC Reciprocal Membership Card and a Reciprocal Program brochure.
