

Dear Members,

Did you know that April is the first month of the year that has 30 days? Spring is in full bloom and summer is just around the corner. The fields are covered with beautiful bluebonnets, paintbrushes and Texas wildflowers. It's time for a countryside ride to soak in the beauties of nature and enjoy the April weather! Also, adding to the spirit, Campus Club has a couple of special events that will bring your spring into full bloom!

"The spring came suddenly, bursting upon the world as a child bursts into a room, with a laugh and a shout and a hand full of flowers." –Henry Wadsworth Longfellow
