

### Dear Members,

May the hot, blistering summer sun shed some much needed shade on our blissful 40 Acres this upcoming school year. We can't wait for the cool, breezy mornings that fill our hearts as we walk through the quad. Or how about those 6pm dark skies that make it reasonable to cozy up with a good book? What better way to welcome all of these good feelings

than with a specialty latte from the OneTwenty5 Café, or even a tasty Cabernet from The Carillon. Wherever your favorite feelings take you, we will always be right around the corner.

"Do the best you can until you know better. Then when you know better, do better." – Maya Angelou
